

# MoneyMates

# Home Ownership

Meet, share ideas and knowledge with other people who are also wanting to buy their own home

This MoneyMates group is aimed at people who have the dream of owning their own home. The group will meet once a week for 4 weeks and will discuss topics including goals, saving, keeping track of money, paying off debt, property choices and mortgages, and the house buying process. There is no requirement to share your personal financial information with the group, it is about sharing knowledge and supporting each other to reach our goals. Space is limited to 10 people. Sign up with your whanau or friends!
