

SUNDAY MARCH 19TH 2017

Okarito Harvest Market & Race Day

Bringing back the Races!

You may remember or have heard stories told of the Okarito races! and true facts! Okarito used to be the venue for many a wild race! Horses & riders came from afar, bets were placed and the races were on!

**This year we are celebrating *bringing back the races*, with a new event - the fun bike Criterium!
*aka the Okarito Crit.***

This age old style of bicycle race is typically laps of a short circuit of 1- 2 kilometers through a town centre where racers are cheered and bells are rung!

The Okarito Crit will offer up prizes for fastest time, best dressed bike and “most interestingly dressed cyclist”!

A kids fun crit will follow the adults race.

Pole vaulting was also a big event in Okarito - this year try the Great Wheelbarrow Obstacle Course! Fun for everyone!
